<u>Eligibility and Registration:</u>

 – Students must be in enrolled in a Career Tech Program to participate in CCP at GCCC.

 – Available for students enrolled in grades 11 and 12. Students who choose to defer their diploma will not be eligible for CCP.

 – Students must complete a College Credit Plus application for the college they wish to participate.

 – Students must have an overall unweighted GPA of 2.75 and an equivalent grade of B or better in relevant high school courses.

 – Students must have letter of intent to Participate on File with their home district and/or GCCC.

 – Students must complete permission slip for Mature Content and a questionnaire about Emotional Maturity.

 – Students and parents must complete a CCP Counseling/Information session and have a signed form on file that the information has been read and reviewed.

 – Male students who are least 18 years of age and Ohio residents are required to be registered with the Selective Service System.

 – Students are eligible to register for courses on GCCC campus or on their own (off-campus) after meeting the criteria mentioned above.

 – Registration for courses held on GCCC campus will handled by the CCP coordinator at GCCC.

 – Students who register for courses on their own (not on GCCC campus) must notify the CCP coordinator and their counselor before the start of each term to ensure proper placements, graduation requirements, and eligibility are being met.

  – Students with identified disabilities should confer with the CCP coordinator and their case manager before enrolling in courses to ensure proper placement. Students need to submit their documentation with the college or university's office of accessibility services so proper accommodations can be met for testing and/or enrolled courses.

 – Students are allowed to receive one open period (CCP Enrichment) if they enrolled for a CCP course off campus.

<u>Fees/Tuition/Books:</u>

 – Student tuition and fees for each college course is 100% covered if the student is eligible for a non-remedial course.

 – Any student who does not receive a passing grade (D) for their CCP course and/or withdraws w/ record will be charged the tuition of the course. The amount will be added to the students' fees and will be required to pay by the conclusion of their senior year.

 – Required textbooks for each enrolled course is 100% covered. Non-required (suggested) books can be purchased at the cost to the student.

 – All purchased textbooks by GCCC must be returned to the library after the completion of the course for cataloging purposes.

 – Please confer with the CCP coordinator when ordering books to ensure the proper books are being ordered.
