

From the Director

Greetings Parents and Students,

Greene County Career Center (GCCC) is committed to teaching students' successful soft skills and earning program-related industry credentials, to prepare students for a prosperous life after high school. Work-Based Learning (WBL) is another avenue in which we prepare the future workforce within our student population. This year is our first WBL co-hort class setting for the group of students who are working 2 weeks at the job and then returning to class for the next 2 weeks. Industry needs workers who can be at the job site for longer time-spans, so we have developed a method to incorporate workforce needs while keeping the students on pace with their academics. Within the WBL arena is also many students who are working half day in lab-related job placements where they are putting their learned skills in action. Our teachers have created a dynamic learning environment that promotes rigorous education through high quality, research-based instructional practices, to ensure 100% of our juniors are on track to graduate and 100% of our seniors are prepared for college and/or career. We are blessed to be in such a great facility during this time in career technical education. We hope you take the opportunity to follow some of the amazing things the career center and the students are doing. If you have questions, please let us know.

Brian McKnight, Director of Secondary Education

Important Dates

October 20 – Grade cards available on ProgressBook
November 2 - Parent-Teacher Conferences, 3:45 p.m. to 7:30 p.m.
November 20 – 24 – No School, Thanksgiving Break
November 29 – December 1: Career Awareness Days (check with lab instructor for student assignments)

February 19 - No School, Presidents' Day
February 29 – Open House 5-7 p.m.

Parent-Teacher Conferences

Conferences will be held on Wednesday, November 2, 2023, 3:45-7:30 p.m. Go to our website; www.greeneccc.com to find the link for parent teacher conference registration. Conferences can be scheduled in 15-minute increments with each teacher. If you have questions, contact Sara Shiveley, Ext. 1303, or sshiveley@greeneccc.com

Career Awareness Days

Sophomores from seven school districts in Greene County are invited to visit Greene County Career Center to participate in Career Awareness Days. The tours are being scheduled for November 29 – December 1, 2023. Unless communicated otherwise, your student will not report to school but will be involved in completing the following activities: job shadowing/job placement experiences related to lab, college visits, or community service. Community Service is required for students wishing to receive a Certificate of Completion upon graduation. Appropriate forms for

each activity will be provided to students and posted on the website. All signed forms for the out-of- school career experiences, must be turned in by December 4, 2023 to receive attendance credit. Otherwise, students will receive unexcused absences for each required activity.

College Applications and Acceptance

Students should apply early for admission to college in order to have the best opportunities for acceptance and financial assistance. The FAFSA should be submitted for financial assistance as soon as the family taxes have been completed, preferably in January. Check the college websites for deadlines and apply prior to December 15 to have the best chance of acceptance and scholarship options. Reminder - the initial and final transcripts for college admissions must come from the home district, not GCCC. Please bring a copy of all college acceptance letters to your GCCC Guidance Counselor. This information will be shared with your partner school Guidance Counselor as well.

Free and Reduced Lunch

If you believe your student qualifies for free or reduced meals and are not already receiving them, please complete a free and reduced meal application at PaySchools Central and on our school website. Students approved for free or reduced meals also will qualify for the waiving or partial waiving of certain fees. Outstanding student fees are listed on student's grade card, and can be viewed through ProgressBook. Fees may be paid via check, cash or credit card in the Treasurer's office, or on-line through PaySchools Central.

OneView

Parents are required to update changes in student contact information throughout the school year on OneView. Go to www.greeneccc.com and click on the OneView link to make sure your address and email are updated as needed. A valid e-mail address will allow GCCC to communicate more efficiently with you.

Title IX

Title IX states, "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." Greene County Career Center Title IX investigators are:

Mr. Brian McKnight bmcknight@greeneccc.com

Ms. Jill Anon janon@greeneccc.com

Credit Recovery

Students who need to make up required courses have an opportunity to recover the credit during the school day in Edmentum or after school on Monday and Wednesday. Students who need to make up past deficiencies should meet with their GCCC Guidance Counselor to create a plan to recover their credit(s).

Positive Behavioral Interventions & Supports (PBIS)

Be Respectful, Be Impactful, and Show Self-Control. Students are taught these expectations from the moment they enter our district and we reinforce the expectations throughout the year with “booster” activities. We recognize students for upholding our expectations throughout the year with positive referrals, breakfast club, quarterly incentives, honor roll celebrations and teacher created rewards throughout the year.

Truancy Interventionist

Gabrielle West is the Truancy Interventionist at GCCC. She assists students and families in addressing the obstacles that contribute to student absences. Ms. West can be reached at 937-372-6941, Ext. 2315, or at gwest@greeneesc.org

Work-Based Learning (WBL)

This year GCCC hired Mr. Rick Mack as our Work-Based Learning Coordinator. Mr. Mack’s responsibilities include checking on students who are on work placement, finding employment for students that are related to their labs, and tracking the 250 hours required for a graduation pathway.

Registration for Sinclair College Credit

Junior students whose programs are aligned with Sinclair Community College are encouraged to register with Sinclair. The students have the opportunity to earn college credit while attending Greene County Career Center. Students are reminded that the registration process does not commit students to attend Sinclair after graduation, but the opportunity to possibly earn college credit and a \$3000 non-competitive scholarship to Sinclair.

To Qualify for the Sinclair Scholarship:

- Earn a cumulative high school grade point average of 2.25 junior and senior year.
- Complete the high school career-technical program
- Complete the Free Application for Federal Student Aid (FAFSA). Other financial aid must be used prior to using the Sinclair Tech Prep Scholarship.
- Be enrolled in a minimum of 12 credit hours per semester to be eligible for the full scholarship benefit. Enrollment of 9-11 hours will be awarded a prorated amount. Please note, the Tech Prep scholarship can cover books, but not tuition for developmental (DEV) classes.
- Maintain good academic standing as defined in the Sinclair Community College catalog “Grades” section (i.e., a GPA of 2.0 or higher).
- Students must register for classes at Sinclair no later than August 15th the year following their high school graduation in order to activate their scholarship.

ProgressBook

Parent Access in ProgressBook is utilized as one form of communication with parents/guardians throughout the school year. Letters were emailed to you with your student’s registration code for ProgressBook. Please email pbhelp@greeneccc.com if you experience any difficulties with your ProgressBook Parent Access account. Grade cards will be distributed at the end of each quarter and can be viewed on ProgressBook. Monitoring ProgressBook throughout the year can keep you informed of your student’s success.

Attendance

Students are expected to attend GCCC even if their home district is not scheduled to be in session. Please consult your student’s home school calendar throughout the year and plan alternate transportation for days when their home district is not providing normal transportation.

Seniors are to maintain daily attendance at GCCC until they graduate or until GCCC’s Senior Recognition (whichever comes first).

Inclement Weather

In the event of, or possibility of, inclement weather, the Greene County Career Center Superintendent will confer with member/home district Superintendents who communicate with transportation directors, road departments and law enforcement officials to make decisions regarding delay or cancellation of school due to inclement weather. It is the desire of the Board of Education that Greene County Career Center be in session at all times unless weather conditions make it unsafe for the operation of school. Announcement of school closings or delays will be made by local news media. Please do not call radio and TV stations. You may also access closing or delay information on our website at www.greeneccc.com, our Facebook, Twitter, and Instagram. Typically, a ONE CALL message will be sent to the active phone number on file for each student when school is delayed, closed or an emergency has occurred. Students are advised to follow their member/home district’s delay or closure schedule when the students member/home district is delayed or closed due to inclement weather.

Students should use the following as guidelines for inclement weather:

Delayed	Closed
If your member/home district is delayed, then you follow you follow that delay schedule.	** If your member/home district is closed, you are not required to come to GCCC that day. If GCCC is open that day, you can still come to school but transportation will not be available.
If GCCC is on a delay but your member/home district is not, you follow their schedule for busing however, car driving/riding students follow GCCC delayed schedule.	If GCCC is closed then you will not be able to come to GCCC, even if your member/home district is open.

**NOTE: Please be aware, if GCCC is open and if your member/home district is closed, students who do not attend GCCC must be counted absent or tardy from school. This is pursuant to HBS 10 and HB82 by the Ohio Legislature, which states that we must notify parents of a student absence within two hours of the start of school as well as give notice of truancy related laws.

You will receive a recorded notification that your student will be counted unexcused, however, this will be modified later in the day to an excused absence due to inclement weather and home school closure. GCCC staff will be on hand to accept those bus riding students whose member/home district is on regular schedule excluding Project Search located at Soin Medical Center.

There is no need to call GCCC to report your student absent due to their home district closing.

Fall Newsletter ♦ October/November 2023

Communication

Daily announcements are broadcast every morning over the PA system and posted in several other locations. Parents and students should check GCCC's website and their partner school's website on a regular basis for announcements. Parents also receive notification, via recorded messages, from our "One Call" system for school informational updates.

Visitors

As an added security measure, all visitors must present a valid state ID upon entering the building. If you wish to see a member of our staff, it is important to make an appointment with that individual.

Community Service Experience

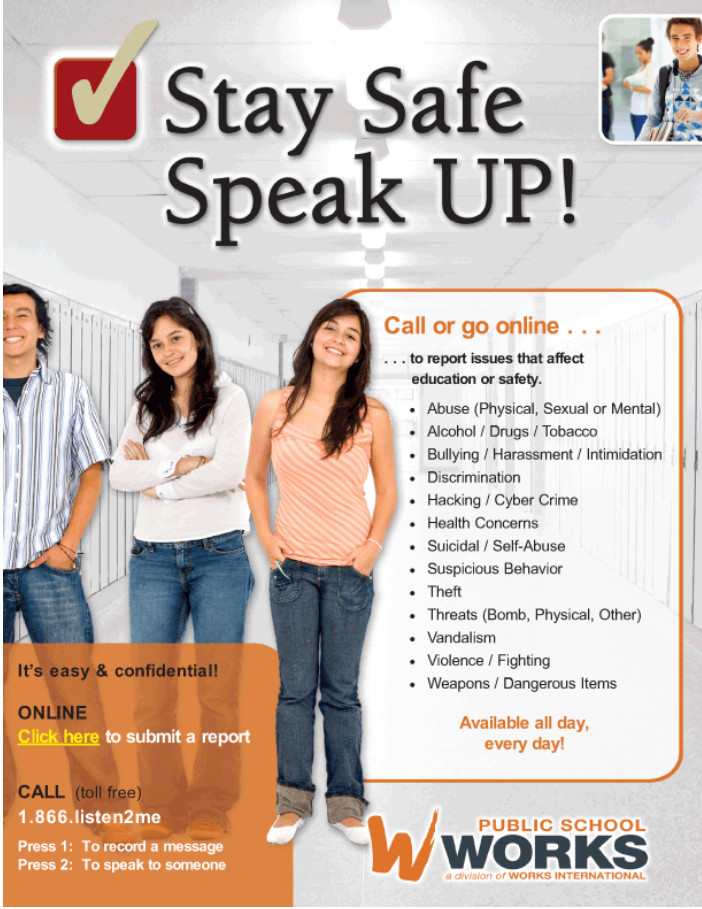

Seniors must participate in 15 hours of Community Service by the end of the third quarter in order to receive their GCCC Certificate of Completion. Parents and seniors are encouraged to view the Community Service Experience form posted on GCCC's website.

Clark State Tech Prep Scholarship

Also known as the George Mueller Tech Prep Scholarship. This scholarship is \$3000.00 total for two years, \$1500 per year (for two years). The scholarship is NOT competitive, which means as long as a student meets the criteria, the student is awarded the scholarship. The criteria to be awarded the scholarship is: graduation with at least a 2.25 GPA, and students continue in the same pathway, or enroll in the Associate of Technical Studies program. This is NOT a last dollar scholarship, which means scholarship amount comes right off the top of the tuition, regardless of any other scholarship or financial aid.

Stay Safe Speak Up

Parents and Student can call online to report issues that affect education or safety. To make a report, please visit our Greene County Career Center webpage at.....
<https://www.publicschoolworks.com/SHL/helpLine.asp?di=83&mi=9&1737Nav=j&NodeID=72>
