U.S. Department of Education Grants

The U.S. Department of Education makes grant funds available to students whose parent or guardian died as a result of military service in Iraq or Afghanistan after the events of 9/11.

At the time of the parent's or guardian's death, the student must have been younger than 24 years old and/or enrolled at least part-time at an institution of higher education. Before a student can receive such grant funds, he or she must fill out the *Free Application for Federal Student Aid* (FAFSASM) at www.fafsa.gov. Additional information about the FAFSA and finding money for college is at www.studentaid.ed.gov.
