To: Students and Families
From: Brian McKnight – Director of Secondary Education
Date: February 5, 2024

Dear GCCC Families,

Junior students will take their ACT exam on Tuesday, March 12th starting at 7:45 AM. Bell schedule on this day will accommodate the testing time provided by ACT standards. Only juniors who are scheduled to take their exam on March 12th will be required to be in attendance. Juniors will have the opportunity to be dismissed after their exam timeframe is completed, approximately 11:45 AM, if they have a signed early release permission slip on file (attached). Bus riders and those students not leaving immediately after testing, will go to their career tech lab for the afternoon. Lunch will be made available after 11:45 AM.

Juniors who previously tested February 27th – March 8th will not be in attendance on March 12th and their non-attendance will be excused. Since ACT exam is a junior requirement, the seniors will not report to GCCC this day and will complete their assigned work remotely. Assignments will be posted in their Schoology or School Links accounts from their teachers and completed by the assigned due date. Seniors who need to complete their credit recovery course and credentialing for graduation have the option to report to GCCC for the day.

If you have any questions, contact Brandon Prather, bprather@greeneccc.com, (Testing Coordinator) or Brian McKnight.
