

# PARENTAL PERMISSION SLIP

*Permission to attend Career Awareness Day*

## CAREER AWARENESS DAY

Greene County Career Center 532 Innovation Dr, Xenia, OH 45385 937.372-6941

**Dear Parent/Guardian:**

We are excited that a representative from the Greene County Career Center talked with your son or daughter about visiting the Career Center for Career Awareness Days. During this field trip, students will have an opportunity to visit three different career-technical programs and learn about a variety of careers and career pathways. Students are under no obligation to enroll at the Career Center after they visit the campus. Our goal is to make your student aware of opportunities at the Career Center that could give him or her both a head start in their career and college.

Please take a few minutes to review the program guide given to your son or daughter today. If you would like more information, visit our website at [www.greeneccc.com](http://www.greeneccc.com) and view more detailed descriptions about our programs under the High School tab. Also, feel free to contact the program teacher by e-mail or phone.
